

OUR PRINTING PROCESS

Eagle Ford Signs utilizes a Roland high-performance wide-format printer / cutter for creating colorful decals, labels, banners, posters, vehicle and floor graphics, apparel decoration and just about any sign imaginable. Your graphics are printed at up to 1440 dpi at 19 Sq Ft per hour with an accuracy up to 0.3 mm using Roland's Eco-Sol Max inks:

- Quick drying time
- Rugged scratch resistance for durability and easy handling
- Wide color gamut for reds, blues and greens
- Aggressively adheres to a broad range of media
- Durability up to three years outdoors without lamination

YOUR GRAPHICS

Adobe Illustrator or Photoshop are the preferred file formats that interface the best with our RIP printing software. All other file formats may not reproduce correctly, potentially adding time and expense to your project. Graphics that require set-up prior to printing/cutting will be subject to a set up fee.
